

Designer Giuseppe Bavuso, year 2022

The Bristol sideboard with four doors is a furnishing solution for modern spaces that combines essential shapes with exclusive finishes. The model boasts a workmanship that enhances the expressiveness of the materials. The doors are in canneté canaletto walnut wood with push back opening system and the interior is in matt lacquered MDF, available in dark red or sand, as well as the four internal shelves and the back of the cabinet. The sides and handles are in aluminium lacquered in titanium or bronze. The top is proposed in marble or ceramic, with a thickness of 5 mm coupled with extra clear transparent glass.
