

Elodie, 908/D
divano \ sofa

Il divano a due posti Elodie è caratterizzato da una struttura essenziale a vista, pensata per accogliere gli ampi cuscini che appoggiano su una lama piatta in metallo che corre tutto intorno alla cuscineria sorreggendola. Dettaglio distintivo il cuscino di seduta, che grazie a dei particolari sostegni si distacca dalla struttura risultando sospeso. L'imbottitura e il rivestimento sono realizzati sia con materiali adatti all'utilizzo in contesti indoor che outdoor.

The Elodie two-seater sofa is characterized by an essential exposed structure, designed to accommodate the large cushions that rest on a flat metal profile that runs all around the cushions supporting it. A distinctive detail is the seat cushion, which thanks to supports detaches itself from the structure appearing suspended. The padding and upholstery are made with materials suitable for both indoor and outdoor settings.
