

# BONALDO

## Mark

Mark is a collection of accessories for living and sleeping areas. Available both as a pouf and as a bench raised from the ground thanks to an unusual metal base, they are a triumph of tailoring, emphasised by the precious details that characterise the entire collection. The striped pattern

with double stitching is a sign that gives a specific aesthetic identity to the object, whether you choose an upholstery with contrast stitching or a tone-on-tone one. The cover, available in numerous colour variations, is made of fabric or leather and is completely removable.
