

Designer Giuseppe Bavuso, year 2014

Sirio is a collection of occasional tables defined by their extreme, formal clean lines and by the modern and refined materials used to create them. The tray top's shape and the slender base are the exceptional result of a skilful balance between technology and high design.

Sirio

Legs in cast aluminium and stainless steel edge in painted, chrome-plated or black nickel. Top in black oak, heat-treated oak in segments, in lacquered MDF or in marble.
